Resizing

When re-sizing the logo in documents, hold the "Shift" key while dragging, to maintain the aspect ratio. Err on the side of using larger images and scaling them down, to preserve image clarity.

Avoid Horizontal Stretch	Avoid Vertical Stretch	Avoid Making Small File Large
		

Overlay

Maintain contrast between the background and the logo to ensure legibility. The logo may be printed against or dropped out of a photographic image only if it remains highly visible and legible; avoid “busy” backgrounds.
