

TEEN DRINKING AND DRIVING KILLS IN OKLAHOMA

NHTSA 2010-2014 Data: Teen Drivers (15 to 19) Killed in Crashes while Under the Influence of Alcohol

the following statistics reflect teen drivers killed who had ANY alcohol in their systems.

33

teen drivers killed driving under the influence

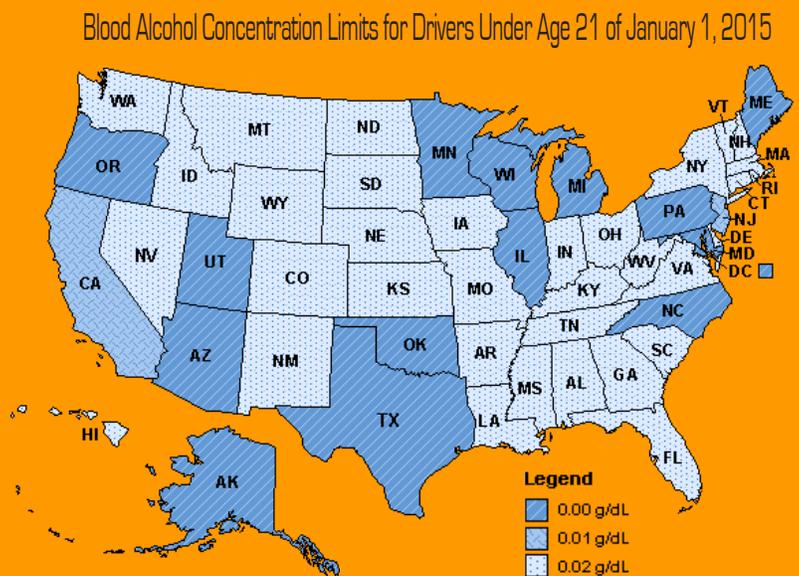

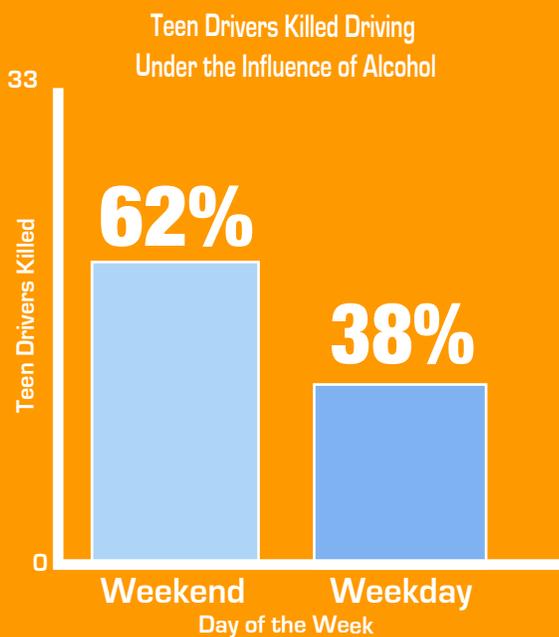

82%

were not wearing a seat belt.

33%

were not obeying the speed limit.

ALL 50 states and DC have 21-year-old minimum legal drinking age laws.

Simple safety actions prevent dire consequences.
Drive sober, buckle up, and be aware of your speed!
